

Effective August 26, 2022

Dear Guests,

Following is the latest update on Mittersill's Covid-19 recommendations. Please note that NH individual and private businesses can choose to mandate masks or have other requirements while in their buildings, on their property or grounds. Our requirements may change as we will implement government protocols and recommendations by the CDC as they evolve.

We'd like to encourage everyone to plan and prepare for your trip before you ever leave your home. That said, please be sure to pack your patience. We are confident that if we all work together to follow the guidelines your vacation will be fun, relaxing and memorable.

Here are some things to keep in mind when you travel to our resort:

- Face masks are now optional but strongly encouraged, we continue with the best practice of social distancing.
- Circumstances, when on property, that require a mask and to help ensure safety: At the front desk, this includes at check in and check out at well.
- For the collective safety of guests and team members, our team will be wearing masks when entering occupied guest units.
- We are continuing many Covid-19 safety protocols, which include detailed sanitizing of units and various common areas. We strongly urge you to continue to be careful and follow good hygiene practices, especially when in public spaces.

Should you have questions, please feel free to call Guest Services.

Your cooperation, patience and understanding are greatly appreciated!

Thank you,
The Staff and Management
Mittersill Alpine Resort

Mittersill Alpine Resort®

DURING YOUR STAY...

MASKS ARE OPTIONAL WHEN INSIDE THE FACILITY.

The safety and well-being of our customers and employees is always our top priority. While masks are not required at this time, please respect those who choose to wear one. Please maintain social distancing. Our procedures may change as we will implement government protocols and recommendations by the CDC as they evolve.

Face masks are mandatory at the front desk, this includes at check-in and check-out.
