History of Mittersill Alpine Resort

"Spectacular vacation enjoyment in the White Mountains." A four-seasons lodging or vacation rental & ownership resort in scenic Franconia Notch, NH.

Built in 1945 with authentic Austrian style, Mittersill Alpine Resort combines authentic Old World charm with modern conveniences.

Nestled in a quiet, private, exclusive Alpine village, slope-side to NH's back country skiing Mittersill Mountain and adjacent to Cannon Mountain and the Tram.

Relaxing & quiet, a perfect location for a quality, self-directed vacation or weekend visit. Experience the beauty of the North Country and White Mountains National Forest.

Founded by the Baron Hubert von Pantz in 1945, the Mittersill Alpine Resort and Village has a Tyrolean heritage and traces its roots directly from the aristocracy of Austria. In 1964, the Main Inn was expanded into the grander scale Resort of today. In 1969, the Baron sold the Resort to relatives and retired to Austria.

In 1979, the new owners began to convert the interior of the Resort from hotel rooms to the more modern condominium style featuring full kitchens. In 1993, the unit owners gained direct control of the management of the Resort.

Mittersill Resort Association, the trustee of Mittersill Alpine Resort, is an independent, non-profit, New Hampshire corporation.

Today, Mittersill Alpine Resort offers accommodations that include selected hotel rooms, or enjoy our spacious one and two bedroom units with full kitchens. Accommodations are available for vacation ownership or rental.
