*Your Four-Seasons Destination & Family Vacation Resort!*

## What to Bring With You When You Visit Mittersill™:

Remember, life is a journey, not just a destination. You're ready to escape the mundane routine of everyday life and finally relax. You're looking forward to no pressure, deadlines, or projects. Mittersill is rented for two days, four days or a week long escape from reality.

Everything is situated and you are a week away from leaving. If you bring everything you need, you'll enjoy the journey that much more..... You've chosen what you're going to wear while you're away and you know what toiletries to bring. Have you thought about the extra necessities you need when staying in a fully equipped unit? Before traveling, check to make sure whether you need to bring anything additional for an enjoyable stay. Our units and timeshare rentals come with everything you may require to start, although, you may need to bring a few extras or your favorite items. The rest is all you will need to bring besides yourself, your clothing, and your sense of adventure.

Our Timeshare units and rentals are not like hotels; All units include a fully equipped kitchen, living room, dining area, full or queen sleeper sofa and King or Queen size bed room. Although we provide bed linens, towels etc. We do not provide daily housekeeping service, unless requested. Requests for housekeeping services are available for midweek cleaning - Fees Do Apply. Towel exchanges are provided weekly. We provide some items as basics, a starting supply of the following are in your unit; Kitchen - one roll of paper towels; Bathroom - 2 rolls of toilet paper & 1 box of tissues, dish washing soap, liquid dish soap. Additional supplies, along with laundry detergent are available for purchase at the Front Desk or be prepared and bring your preferred brand.

The next thing to remember is extra kitchen supplies. Each unit is supplied with dishes, utensils, Coffee Maker, cooking dishes/pots and pans, etc. Our units have basic necessities (again check with us beforehand). For example, you may want to bring your favorite sharp knife, a corkscrew, colander, crock-pot, or other item you feel you may need.

We have a small, quaint pub (Baron's Pub) with a limited menu, service and hours, it is important to note that **we do not have a restaurant**. You will want to plan on buying groceries once you are here; However if you are driving you may be able to bring the dry goods and purchase the perishables once you get here. Bring your favorite spices, containers for leftovers if you plan on cooking and aluminum foil, plastic wrap, baggies etc.

How much do you enjoy your coffee or tea? We provide a regular coffee maker and startup of coffee filters, but not the coffee or tea. Make sure you bring your own if you can't live without your daily fix.

The most important thing is to check with us, the person you are renting from, or our website before packing to know what is provided and what isn't. (no pets; no Air conditioning; no smoking; no restaurant). Once you have secured that information, you'll be able to pack more efficiently and enjoy your vacation.
